Sub: - Change of Sub- district from Police Station to Tahasil.

Sir,

I am to bring to your kind notice that the preparatory work for the next Census 2021 is already initiated. A well-defined, simple and easily comprehensive operational set-up is the key to the successful enumeration of every individual without omission or duplication. In Census, each and every village and ward of towns for rural and urban units respectively are categorized under different nomenclature to compile data at sub-district, district, state and national level. It helps the data users, planners and administrators to utilize census data for different purposes at different levels.

In Odisha, each Police station is considered as Sub-district and Tahasildars are designated as Charge Officers for the entire tahasil jurisdiction. Each Police Station Jurisdiction (either full or in part) located within a particular tahasil is recognized as a "Sub-district" in Census. Thus, a single Charge Officer (Tahasildar) may be in charge of different Police Stations or part thereof. This dichotomous nature of Charge and Charge Officer leads to cumbersome procedure to follow for field level operation, inventory management and data dissemination activities under Census. Considering Police Station as a sub-district under Census and disseminating Census data Police station wise has been discarded by all other states long ago. Other states have already shifted to Tahashil/Taluk/Mandal or CD Blocks as sub district for Census Operations.

In view of the above, as discussed in the meeting held on 12th September 2017 under your benign chairmanship on this issue it is requested to kindly consider our proposal to shift sub-district from Police Station to Tahashil for all operational purposes under Census. Since in most of the cases tahashils and CD Blocks are co-terminus, data on CD Block levels may be processed and presented if required. An affirmative communication from your end at the earliest is awaited for further necessary action at this end.

Yours faithfully,

(P.BARAD)

The Deputy Registrar General (Census),
Office of the Registrar General, India

Sub: - Change of Sub- district from Police Station to Tahasil.

Sir,

You may be aware that, in Odisha, Police Station has been considered as the Sub-district for Census purposes. The jurisdiction of a police station, either in full or in part, that comes under the area of a Tahasil is considered as a "Separate Unit" whereas the Tahasildar has been designated as the "Charge Officer" for the entire jurisdiction of Tahasil (for rural part including census towns). Hence the Tahasildar has to maintain the identity of each Police Station either in part or full that comes under his jurisdiction. This dichotomous existence of Police Station as sub-district and Tahasildar as the Charge officer creates lot of confusion and complexities at the time of assigning village code and EB number under each Tahasil. Further the use of the published data at the Police Station level (which is the Sub-District) is not properly accepted by the data users. All most all the data users ask for data at CD Block level. As a remedial measure, this office requested to the Revenue and Disaster Management Department, Government of Odisha, the Nodal Department, conducting Census in Odisha, to consider the proposal of shifting Sub-district from Police Station to Tahasil for Census 2021 as because in 80% cases the CD Block area is co-terminus with the Tahasil. The concerned Department has conveyed the acceptance of our proposal by the Govt. of Odisha vide their letter No 39122, REGN (CENSUS)-7/17, dated 20.11.2017 (copy enclosed).

In view of the above, we are of the opinion that Tahasil may be declared as the Sub-District for all purposes. Therefore, you are requested to accord the confirmation of the competent authority of shifting the Sub-district from Police Station to Tahasil for Census Operations. Necessary confirmation, instructions and guidelines, in this regard, for preparatory works for Census 2021, may also be sent to this office at the earliest.

Yours faithfully,

Sir,

With reference to the subject mentioned above, I am to inform that on 19 12 2017, a review meeting was organised in the conference room of the Revenue and Disaster Management Department, Government of Odisha, the co-ordinating department of the state government for Census Operations in Odisha. The Principal Secretary R&DM department reviewed the progress of preparatory work for Census 2021, NPR activities, sanction of fund and submission of UCs etc. One of the agenda points was on the shifting of sub-district from Police Station to Tahasil for Census purposes as had been requested by this office earlier. It was felt in the review meeting that the state government has accorded high importance to the proposal and accordingly approval was obtained from the Chief Minister's Office on this issue. This acceptance of the proposal by the state government have been intimated to you vide this office letter of even number dated 29 11 2017. A communication on confirmation of competent authority in this regard is awaited from your part. Meanwhile, Circular 1 has been issued by ORGI on 22 12 2017. The time bound updation work of jurisdictional changes as mentioned in the circular can be carried out properly after confirmation of change of sub district.

In view of the above, it is requested to communicate the approval of the competent authority for shifting of sub-district from Police Station to Tahasil at the earliest so that preparatory Census activities can be carried out within the stipulated time period.

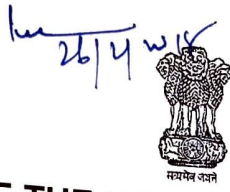

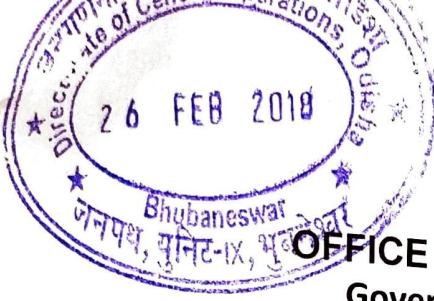

Yours faithfully
