#### Order

No. DI/INF/Cable Net/2007

**Sub: Monitoring Committee for Private Television Channels at the State Level**

Whereas as per Section 2 of the Cable Television Networks (Regulation) Act, 1995, the District

Magistrate North Goa District and South Goa District are designated as "Authorized Officers" within their local limits of jurisdiction by the State Government. An whereas as per Sections 11 and 12 of aforesaid Cable Act, the authorized officer has the power to seize and confiscate the equipment of the cable operator for violation of Sections 5 and 6 of the Cable TV Networks (Regulation) Act, 1995, i.e. violation of Programme Code and Advertisement Code prescribed under Rule 6 and Rule 7 of the Cable Television Network Rules '94 respectively. And whereas, it has been noticed that enforcement of said act in many parts of the country is not satisfactory either due to lack of knowledge or mechanism to enforce the same. And whereas it was unanimously agreed in the 25th State Information Ministers Conference (SIMCON) held on 16th April, 2005 at Vigyan Bhavan, New Delhi that an enforcement mechanism needs to be constituted to enforce the provisions of Cable Television Network Regulations, 1994.

Now therefore, it has been decided to constitute a "Monitoring Committee for the Programme and Advertisements telecast by Cable TV Channels" at the State level to enforce the Cable Act & Rules. In pursuance of the decision, a Committee with the following as members is hereby constituted:

- |   |             |
|---|-------------|
| i) Secretary, Information & Publicity, Government of Goa                          | – Chairman. |
| ii) Representative of DG of State Police  | – Member.   |
| iii) Secretary (Social Welfare Department)  | – Member.   |
| iv) Secretary (Women & Child)   | – Member.   |
| v) Adv. Carolina Colaco Representative of a leading NGO working for Women Welfare | – Member.   |

vi) Dr. Rajesh Dhume, Representing – Member.  
Academicians/Psychologists/  
/Sociologists

vi) Director of Information & – Member  
Publicity Secretary.

The nominated members shall have a term of two years. They shall not be eligible for re-nomination.

This Monitoring Committee will review and deliberate on the litany of complaints received by "Authorized Officer" or take suo-moto cognizance of violations of Programme and Advertisement Codes in the programmes transmitted and re-transmitted in the local cable channels. The Committee will take a decision on the matters referred to it in accordance with the opinion of the majority of the members present at the meeting. The Committee will determine whether a violation of the Codes has taken place and render advice on the further action to be taken in the matter to the 'Authorized Officer'.

Further, the Committee will forward complaints against satellite channels (National channels) to the Additional Secretary, Ministry of Information & Broadcasting, Government of India, who is the Chairman of the Inter-Ministerial Committee constituted under Section 20 of the Cable Act to look into the violations of Programme and Advertisement Codes.

In respect of content related issues telecast on local cable channels or an satellite TV channels which have local implications, Authorized Officer will take action as per Section 19 of the aforesaid Cable Act. However, content related issues telecast on satellite channels, which have all India implications the necessary action will be taken by Central Government.

# REPORT OF THE COMMISSION ON THE STATE OF THE NATION

The Commission on the State of the Nation was organized by the President of the United States in 1959. Its purpose was to study the problems of the Nation and to make recommendations for their solution. The Commission has held many public hearings and has received many suggestions from the people. It has also conducted extensive research into the various problems of the Nation. The Commission believes that the Nation is in a state of transition and that many of our present problems are the result of changes in our society. It believes that these changes are necessary for the progress of the Nation, but that they must be managed wisely. The Commission recommends that the Government take certain steps to guide these changes and to solve the problems that arise from them. These steps include the following:

- 1. The Government should continue to support the development of science and technology.
- 2. The Government should continue to support the development of the arts and the humanities.
- 3. The Government should continue to support the development of the social sciences.
- 4. The Government should continue to support the development of the physical sciences.
- 5. The Government should continue to support the development of the medical sciences.
- 6. The Government should continue to support the development of the agricultural sciences.
- 7. The Government should continue to support the development of the engineering sciences.
- 8. The Government should continue to support the development of the environmental sciences.
- 9. The Government should continue to support the development of the space sciences.
- 10. The Government should continue to support the development of the social and behavioral sciences.
