The details of STs and CTs is given below: -

The state Government may also be informed about the approved list of towns. However, in case you find any change between the date of issue of this letter and the date of freezing of boundaries i.e., 31.12.2019, you may inform the changes taken place for further approval of RG&CCI. Thereafter, once the boundaries have been frozen, no change will be accepted. If, however, due to certain compelling reasons you feel the necessary to make some changes in the list of towns already approved, you may obtain prior approval from this office for the same along with proper justification for making such modifications in the approved urban frame.

You are also requested that district wise final list of the towns with location code numbers may be sent to this office as and when the code numbers are provided for the Census of India 2021.

Kindly acknowledge the receipt.

Yours faithfully,
