Sir,

With reference to the earlier approval dated 27.12.2019 on the subject cited above, I am directed to inform you that the revised proposal (after updating the changes in the administrative boundaries of STs and CTs) has been considered by the Registrar General & Commissioner of India and the same has been approved for total 220 Towns (110 STs + 110 CTs) in Andhra Pradesh State to be used as Urban Frame in the upcoming 2021 Census. The details of STs and CTs are given below: -

Statutory Towns for 2021 Census		Census Towns for 2021 Census

(+) Newly notified statutory towns	29	(+) Newly notified census towns	37

The state Government may also be informed about the approved list of towns. In case you find any change required to be updated upto the date of freezing of boundaries i.e. 31.12.2019, you may inform the same for further approval of RG&CCI. Thereafter, once the boundaries have been freezed, no change will be accepted. If, however, due to certain compelling reason you feel the necessary to make some changes in the list of towns already approved, you may obtain prior approval from this office for the same along with proper justification for making such modifications in the approved urban fame.

You are also requested that district wise final list of the town with location code numbers may be sent to this office as and when the code numbers are provided for the Census of India 2021.

Kindly acknowledge the receipt of this letter.

Yours faithfully
